Next Capital Partners Co., Ltd.

Notice of First Closing of Fund IV

Next Capital Partners (“NCP”) is pleased to announce the completion of the first closing of Next Capital Partners Investment Limited Partnership No.4 (“Fund IV”) on October 31, 2024.

NCP received increased commitments from many of our existing investors of Fund III, including financial institutions and operating companies for the first closing. NCP will continue our fundraising activities with targeting JPY 15 billion.

Fund IV aims to support small and medium-sized Japanese companies by enhancing corporate value for its portfolio companies not only from the perspective of straightforward “Business Turnaround”, but also from the angles of “Turnaround x Business Succession,” “Turnaround x Carve-out,” and “Turnaround x Business Restructuring.” In particular, Fund IV intends to focus on “Turnaround x Business Succession” projects.
